International Journal for Quality in Health Care

Editor-in-Chief

The International Journal for Quality in Health Care is the leading international journal for publication on research, evaluation and improvement in the quality and safety of health care.

The Journal is published by Oxford University Press in association with The International Society for Quality in Health Care (ISQua).

Expressions of interest are now being invited for the position of Editor-in-Chief of the Journal commencing on 1st April 2020 when the current Editor-in-Chief, Professor Jack Yu-Chuan (Jack) Li steps down after six years in the role.

ISQua seeks interest from internationally recognised leaders who will be able to maintain and further develop the scholarly status of the Journal and extend its influence and market.

Background information and further details on this role can be found here https://www.isqua.org/images/IJQHC_EICRoleDescription.pdf

Closing date for applications is: 8th August 2019 (17:00 @ GMT + 1)
